## St Barths Regatta Coverage

If you have made your own arrangements for on-the-water access list dates, boat name, registration and type:

If you plan to use a helicopter on any day, please provide dates and details:

We make best efforts to accommodate qualified requests for the shared press boat, but please be advised that **press boat space is very limited** and final assignments are prioritized and made by the Bucket Coordinator on site.

We cannot meet all needs and we require that you submit your full credentials in advance for consideration.

Please indicate which days you are requesting and prioritize them:

\_\_\_\_\_ Friday \_\_\_\_\_ Saturday \_\_\_\_\_ Sunday

**Please note** that our top priority is to ensure the enjoyment, safety, and privacy of our participating yacht owners and their guests. Feedback from owners and their boat captains has been nearly universal asking that we not attempt to place people on their yachts, be they individual sponsors, media, or VIP related. **The regatta organizer will not accept or accommodate requests for race day rides on the yachts.** We also kindly insist that attending media **not** approach the yachts' captains and crews with these requests.

\_\_\_\_\_

Date of Arrival: \_\_\_\_\_ Date of Departure: \_\_\_\_\_

\_\_\_\_ *I have read and understand the Bucket requirements and policies.*
