

Pre-Race Email Update
FRIDAY, 16 March, 2018

ADMINISTRATIVE ITEMS:

- Be sure to mount your TracTrac device and have it turned on by 9:00 so we can do our checks;
- Please turn in your Declaration Forms in as soon as practical after racing;
- Communications Officers get a radio check with the RC on VHF 17;
- Be vigilant regarding whales and adhere to the published policies;
- Tonight is the popular Bucket 'Yacht Hop'. As you know, bracelets are required to participate so we can keep it manageable for the participating yachts.

RACING:

- J Class goes off first – Warning Signal scheduled for 1100. Pursuit fleet please stay clear of their starting area and the Signal Boat between 1045 – 1110 (yellow pin end);
- 'Around the Island' Courses today. We will broadcast and email course and starting sequence later in the morning per the SI;
- Mark X location will be broadcast and emailed (see SI 11.4);
- SAFE RACING is key! Be sure to monitor VHF 17 and answer any promptly.

Today may be the best breeze of week – good luck to all!

Peter Craig
Race Chairman
