To 2020 Entrants

It's all systems go for the 2020 St Barths Bucket! Our friends on St Barths are very much looking forward to welcoming the fleet.

For those yachts racing in Antigua next week, we wish you the best of luck on the racecourse. I emailed those programs earlier about sail and tank declarations for the Bucket. If you have any questions call or email me anytime.

The Sailing Instructions, Exhibits, Course Book and preliminary Class Breaks have been emailed and [are posted](#). All captains are encouraged to share those to your respective owners and afterguard members straight away. As mentioned in the [class break letter](#), we will not be inclined to consider changes on site.

I am getting on a plane next week for St Barths and look forward to leaving the cold of New England behind.

The Bucket Team looks forward to seeing you all in St Barths and enjoying some great racing and shoreside fun!

Peter

PS We continue to monitor all news and updates. The news from Guadeloupe appears to be mainly focused on cruise ship regulations. *The authorities and cruise lines are tightening regulations in the face of the coronavirus epidemic. This Wednesday, March 4, Guadeloupe and Martinique do not count any positive cases.*
