

WE'RE HERE FOR YOU WITH

# REGATTA REPAIR

---

**ST BARTHS BUCKET REGATTA**

MARCH 21-24, 2024

We're excited to join you at the St Barths Bucket Regatta. Our team will be on hand throughout the regatta with a dockside sail loft in the area should you need a sail repair\*. Tears happen, but they shouldn't leave you without a key piece of race inventory. The North loft is located opposite the SY dock next to the water accessible by tender or by road. Sails can be brought directly to the loft floor.
